Different restaurants all with unique menus

HOTEL

HOTEL INTERIOR

World-class accommodation with Sheraton quality.

All the details of the Sheraton Residences, the first brand to come to mind for a luxurious and comfortable stay, were considered for you.

Practical and stylish rooms were designed at the Sheraton Residences, which prioritizes providing visitors with a spacious and practical interior design. The parts that make you feel comfortable with quality are brought all together in a room.

SHERATON
Residences

NIDYA OFFICE

With the office section, in which every detail has been rigorously deliberated, you will take your brand a step further.

Several details including spacious inner spaces and functional office layouts, shared areas, meeting rooms, and a seminar and conference center were designed to help you take your business forward. Both Istanbul and the whole world will be within your immediate reach with the office located close to important transportation means including the 3rd international airport, TEM main road and the metro line.

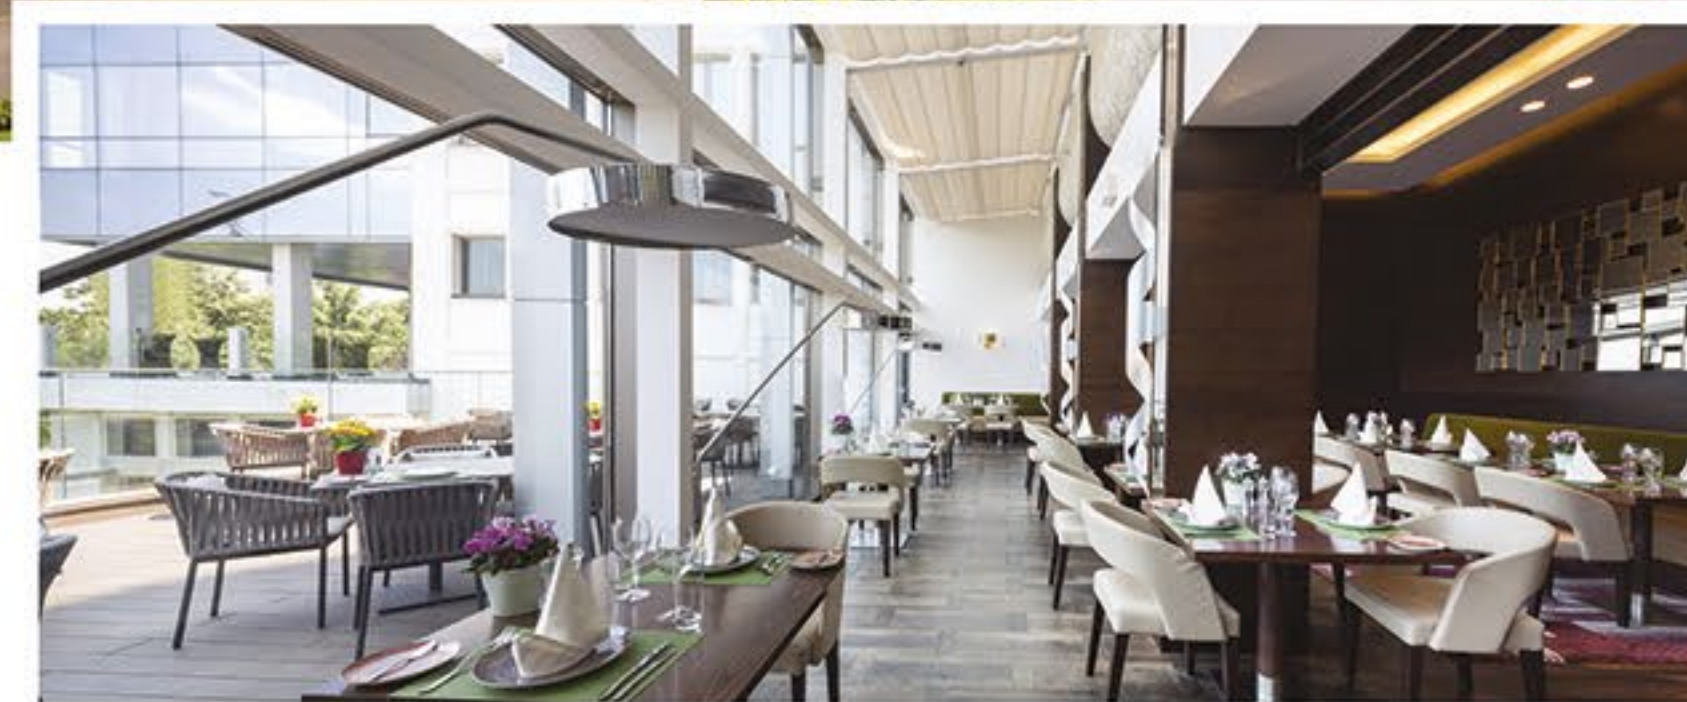

MODERN OFFICES

MEETING AND SEMINAR ROOMS

NIDYA ATRIUM

A special life has been designed for you in the atrium for moments of joy and emotions.

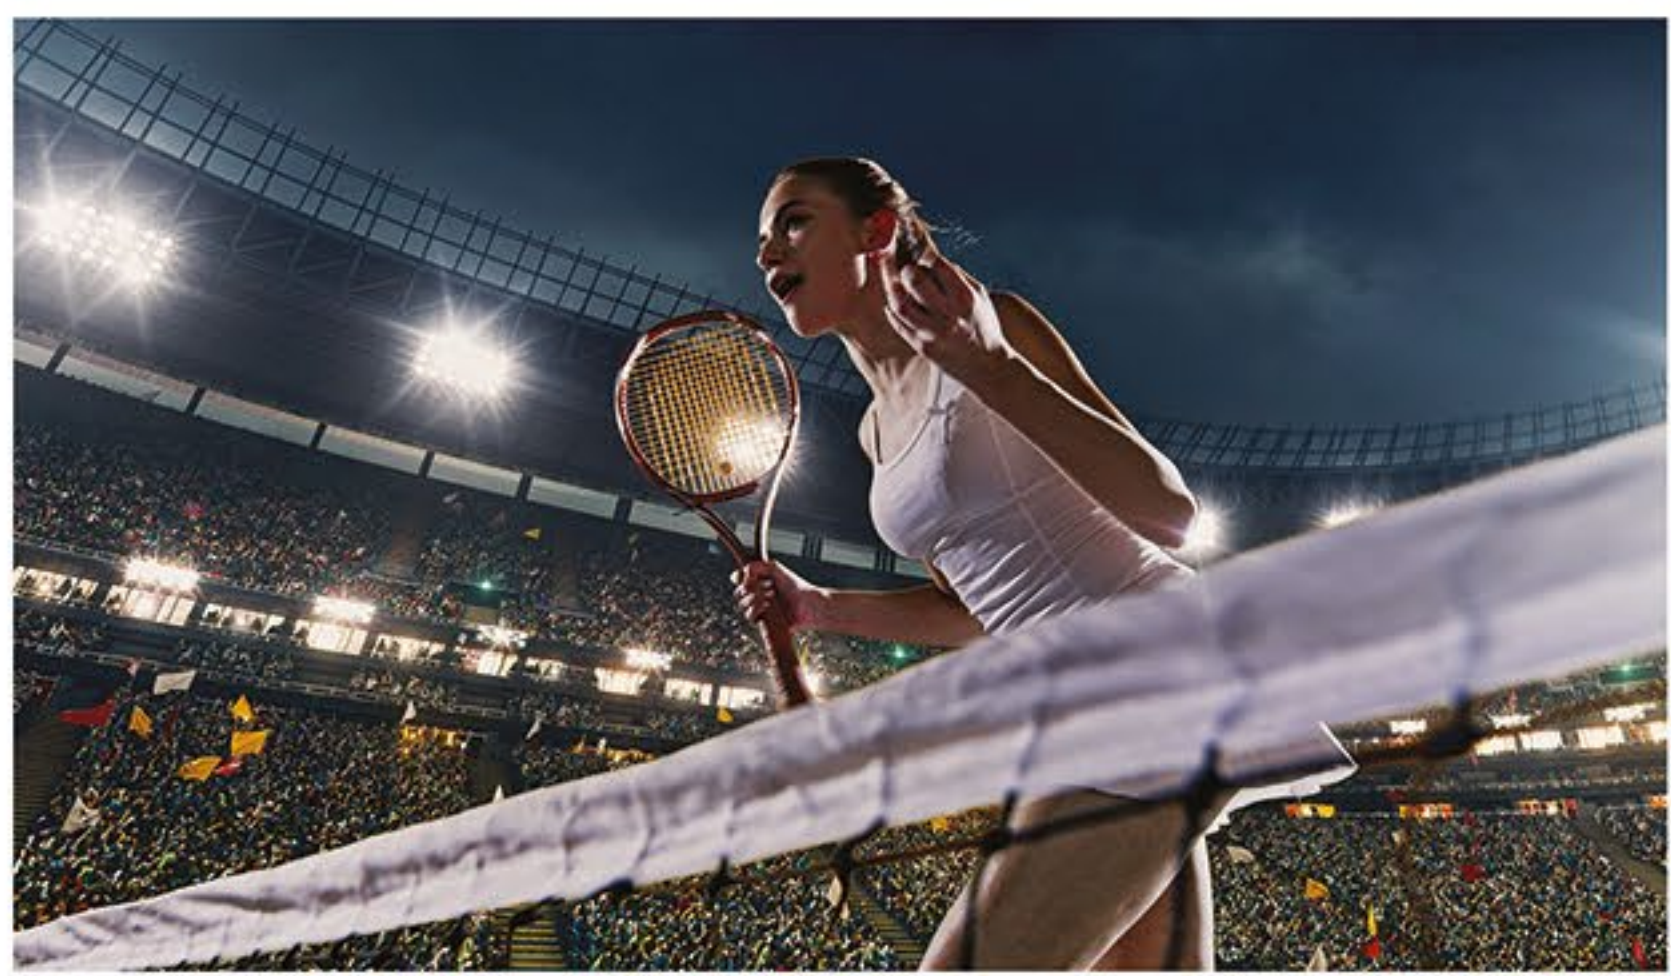

YOUR FAMOUS NEIGHBOUR

Akbatı AVYM, which was awarded with the "Best Shopping Mall Development Project" prize, one of the most prestigious real estate prizes globally, thanks to its high quality brand concept, adds value to the whole area.

CULTURE AND FESTIVAL PARK

The 5,000 capacity festival park will host many events including concerts and open-air-theatre to provide means of socialization.

KOZA TENNIS ARENA

In the Arena which hosts WTA and ATP tournaments, Istanbul Tennis Academy also serves tennis fans on 64 separate courts.

TED COLLEGE

With an experience of 90 years, TED College is an exemplary and pioneer institution educating the future leaders of the society who will contribute to the humanity, based on the "School of Learners" philosophy.

During the education life from starting from the kindergarten till graduating from the high school, the institution prepares a research-oriented generation conscious of its national and social responsibilities, open to the developments and changes of the modern day.

PROPERTY SERVICES

The safe harbour of investors.

A reliable investment both for the short term and a future of 15 or 20 years, thanks to the long term sustainable service approach. Guarantee of service quality in the global standards.
