

*The icon of a prestigious life in Turkey
Where luxury meets nature*

Welcome to one of Istanbul's most outstanding projects!

This ready-to-move residence has been developed to represent the perfect combination of luxury and warmth. It is the ideal address for residents who are looking to settle in an easily accessible area, yet away from the city traffic.

A project that exceeds your expectations

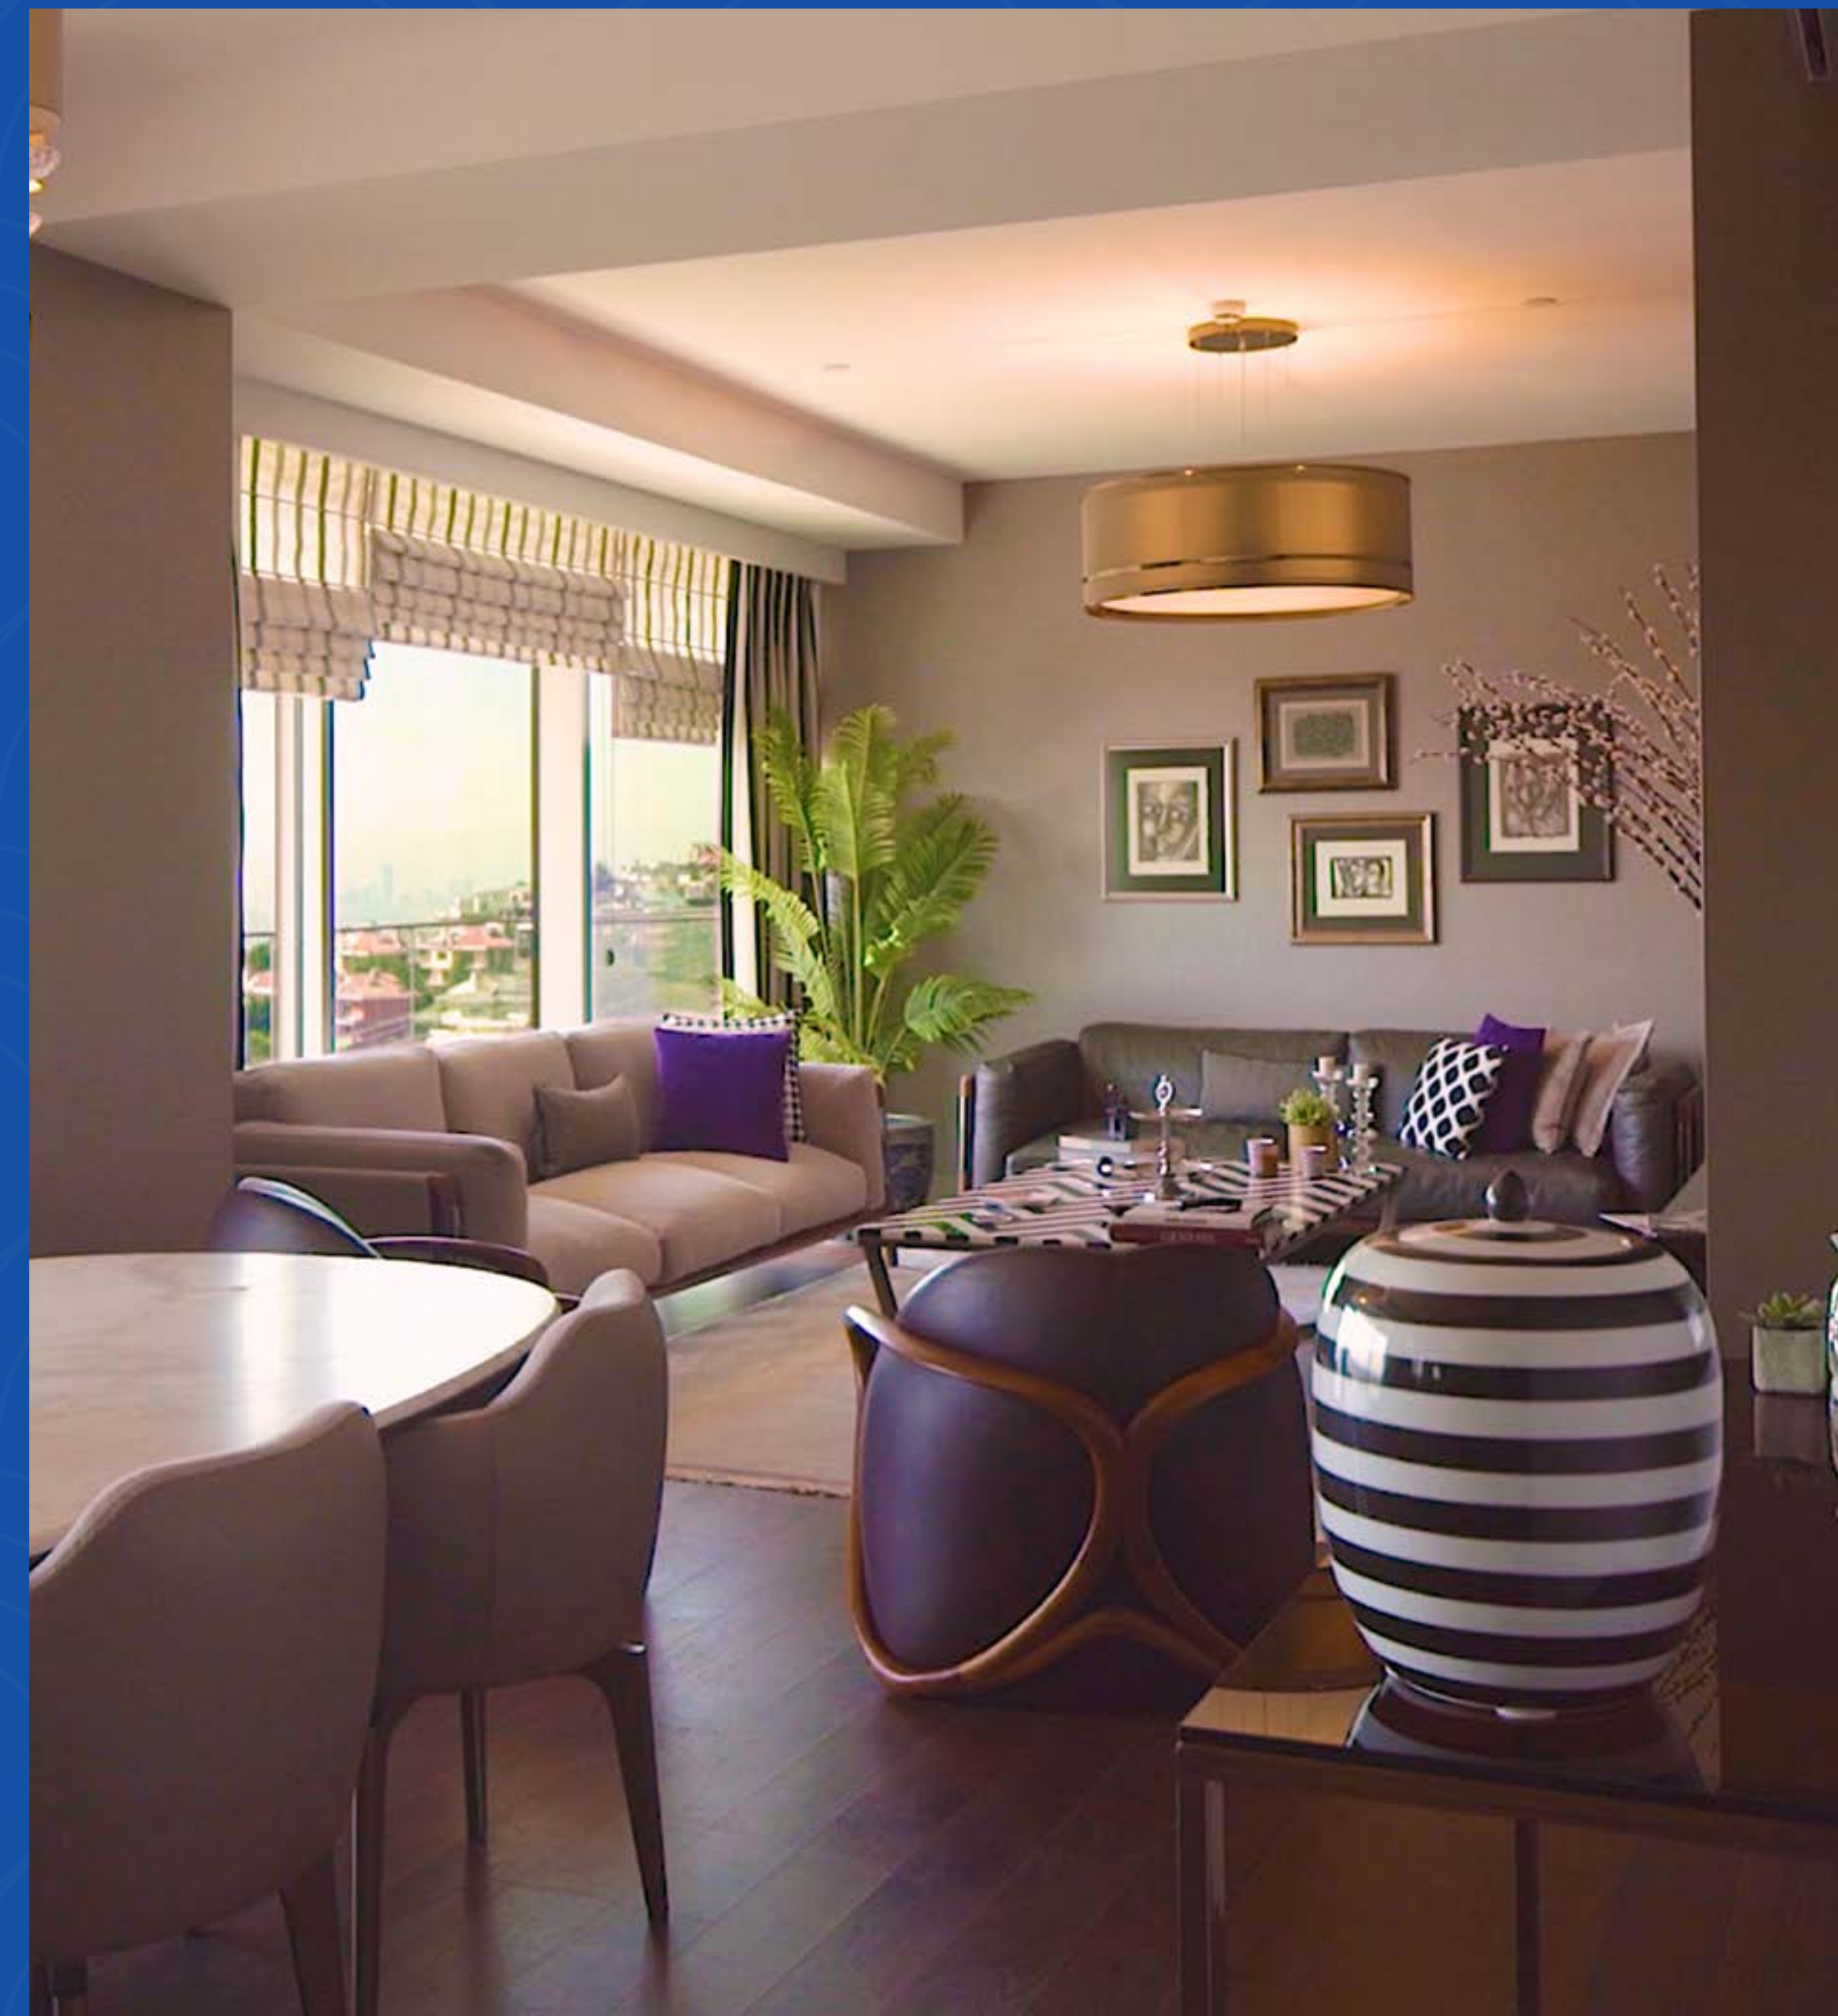

What makes this project stand out in the Turkish market is its exclusivity for a sophisticated lifestyle with a sense of authenticity. This project meets international standards in terms of convenience, elegance, and comfort.

Well thought-out details to assure your satisfaction.

The project consists of two blocks, 30 floors each, offering luxurious apartments of 3+1, 2+1, 1+1, and 3.5+1 in addition to the incredible penthouses. The total areas range between approximately 100 m² and 300 m².

Units' interiors are specifically designed to provide the most luxurious and ideal ambiance. In addition, colour palettes, luxe materials, and innovative lighting are all well-chosen to create these elegant spaces.

Hello
Gorgeous

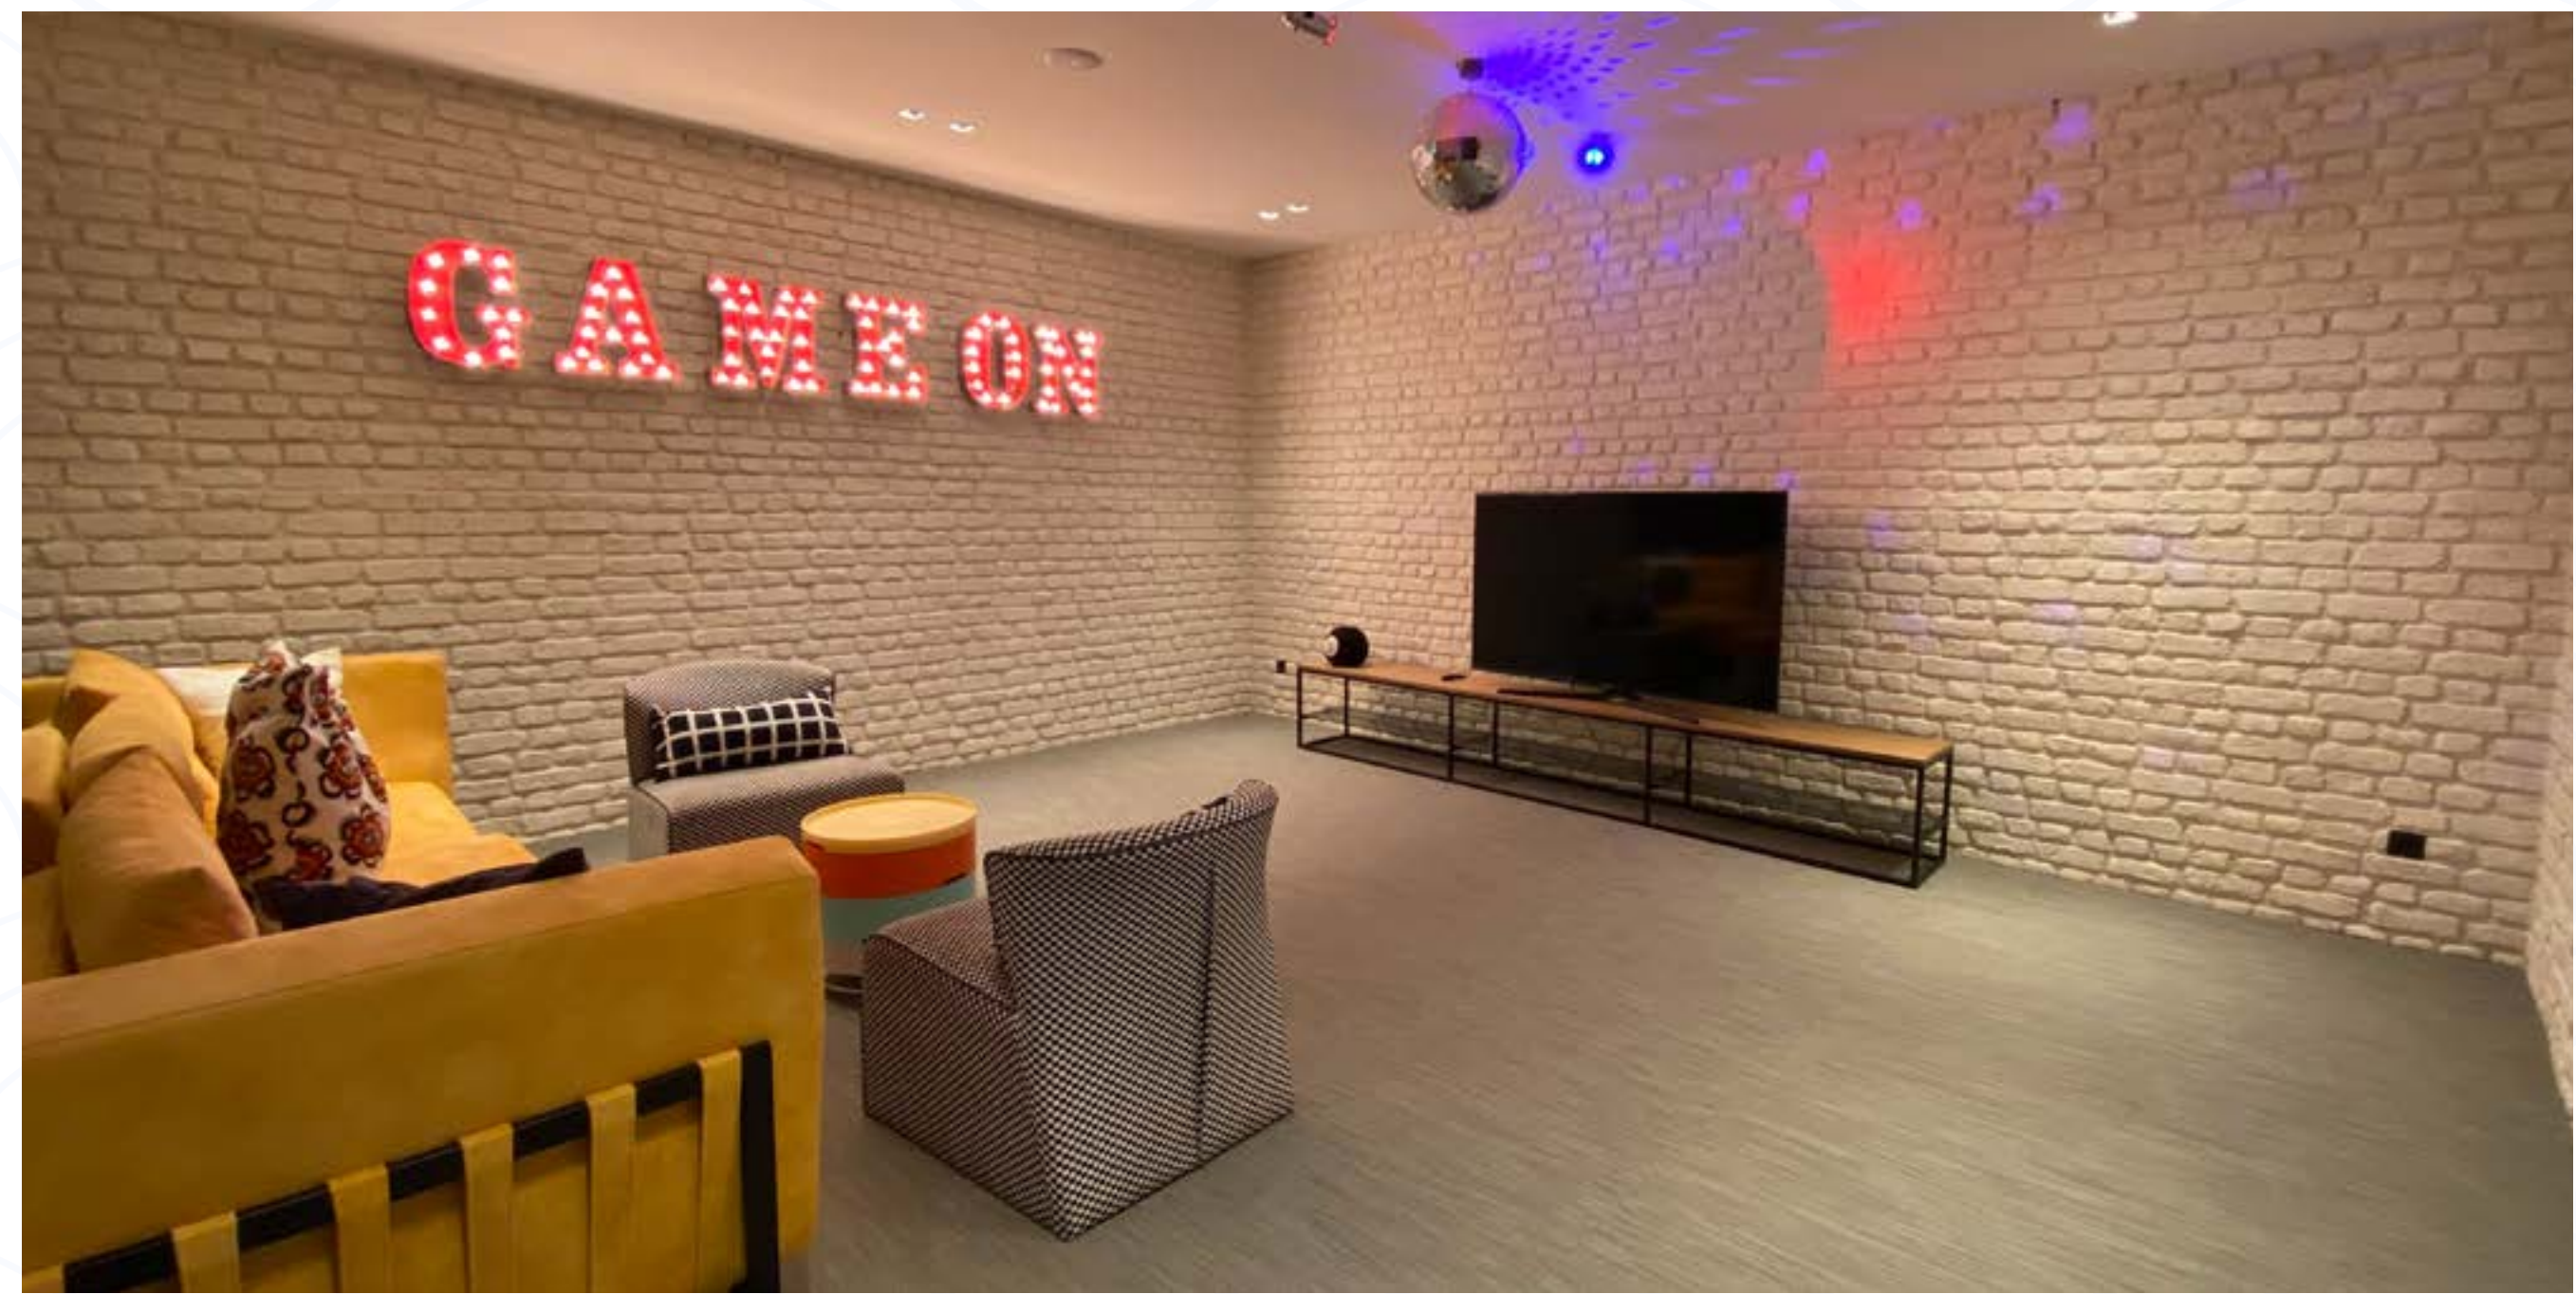

The perfect spot for your well-being

Both blocks share common facilities and shops, including an in-project mall, along with a 4000 m2 exterior area and a beautifully designed landscape.

This exceptional project guarantees to keep the residents entertained with a variety of various social facilities including a well-equipped gym, spa, game rooms, and an indoor pool.

At this exceptional project, you can be assured to live in comfort and relaxation.

Compelling panoramic views

All project units are accompanied with balconies that offer breath-taking views including the Bosphorus! In addition to the Black Sea from the north and Marmara Sea from the south. With such a healthy atmosphere and great skyline scenery, you can easily call this place your home.

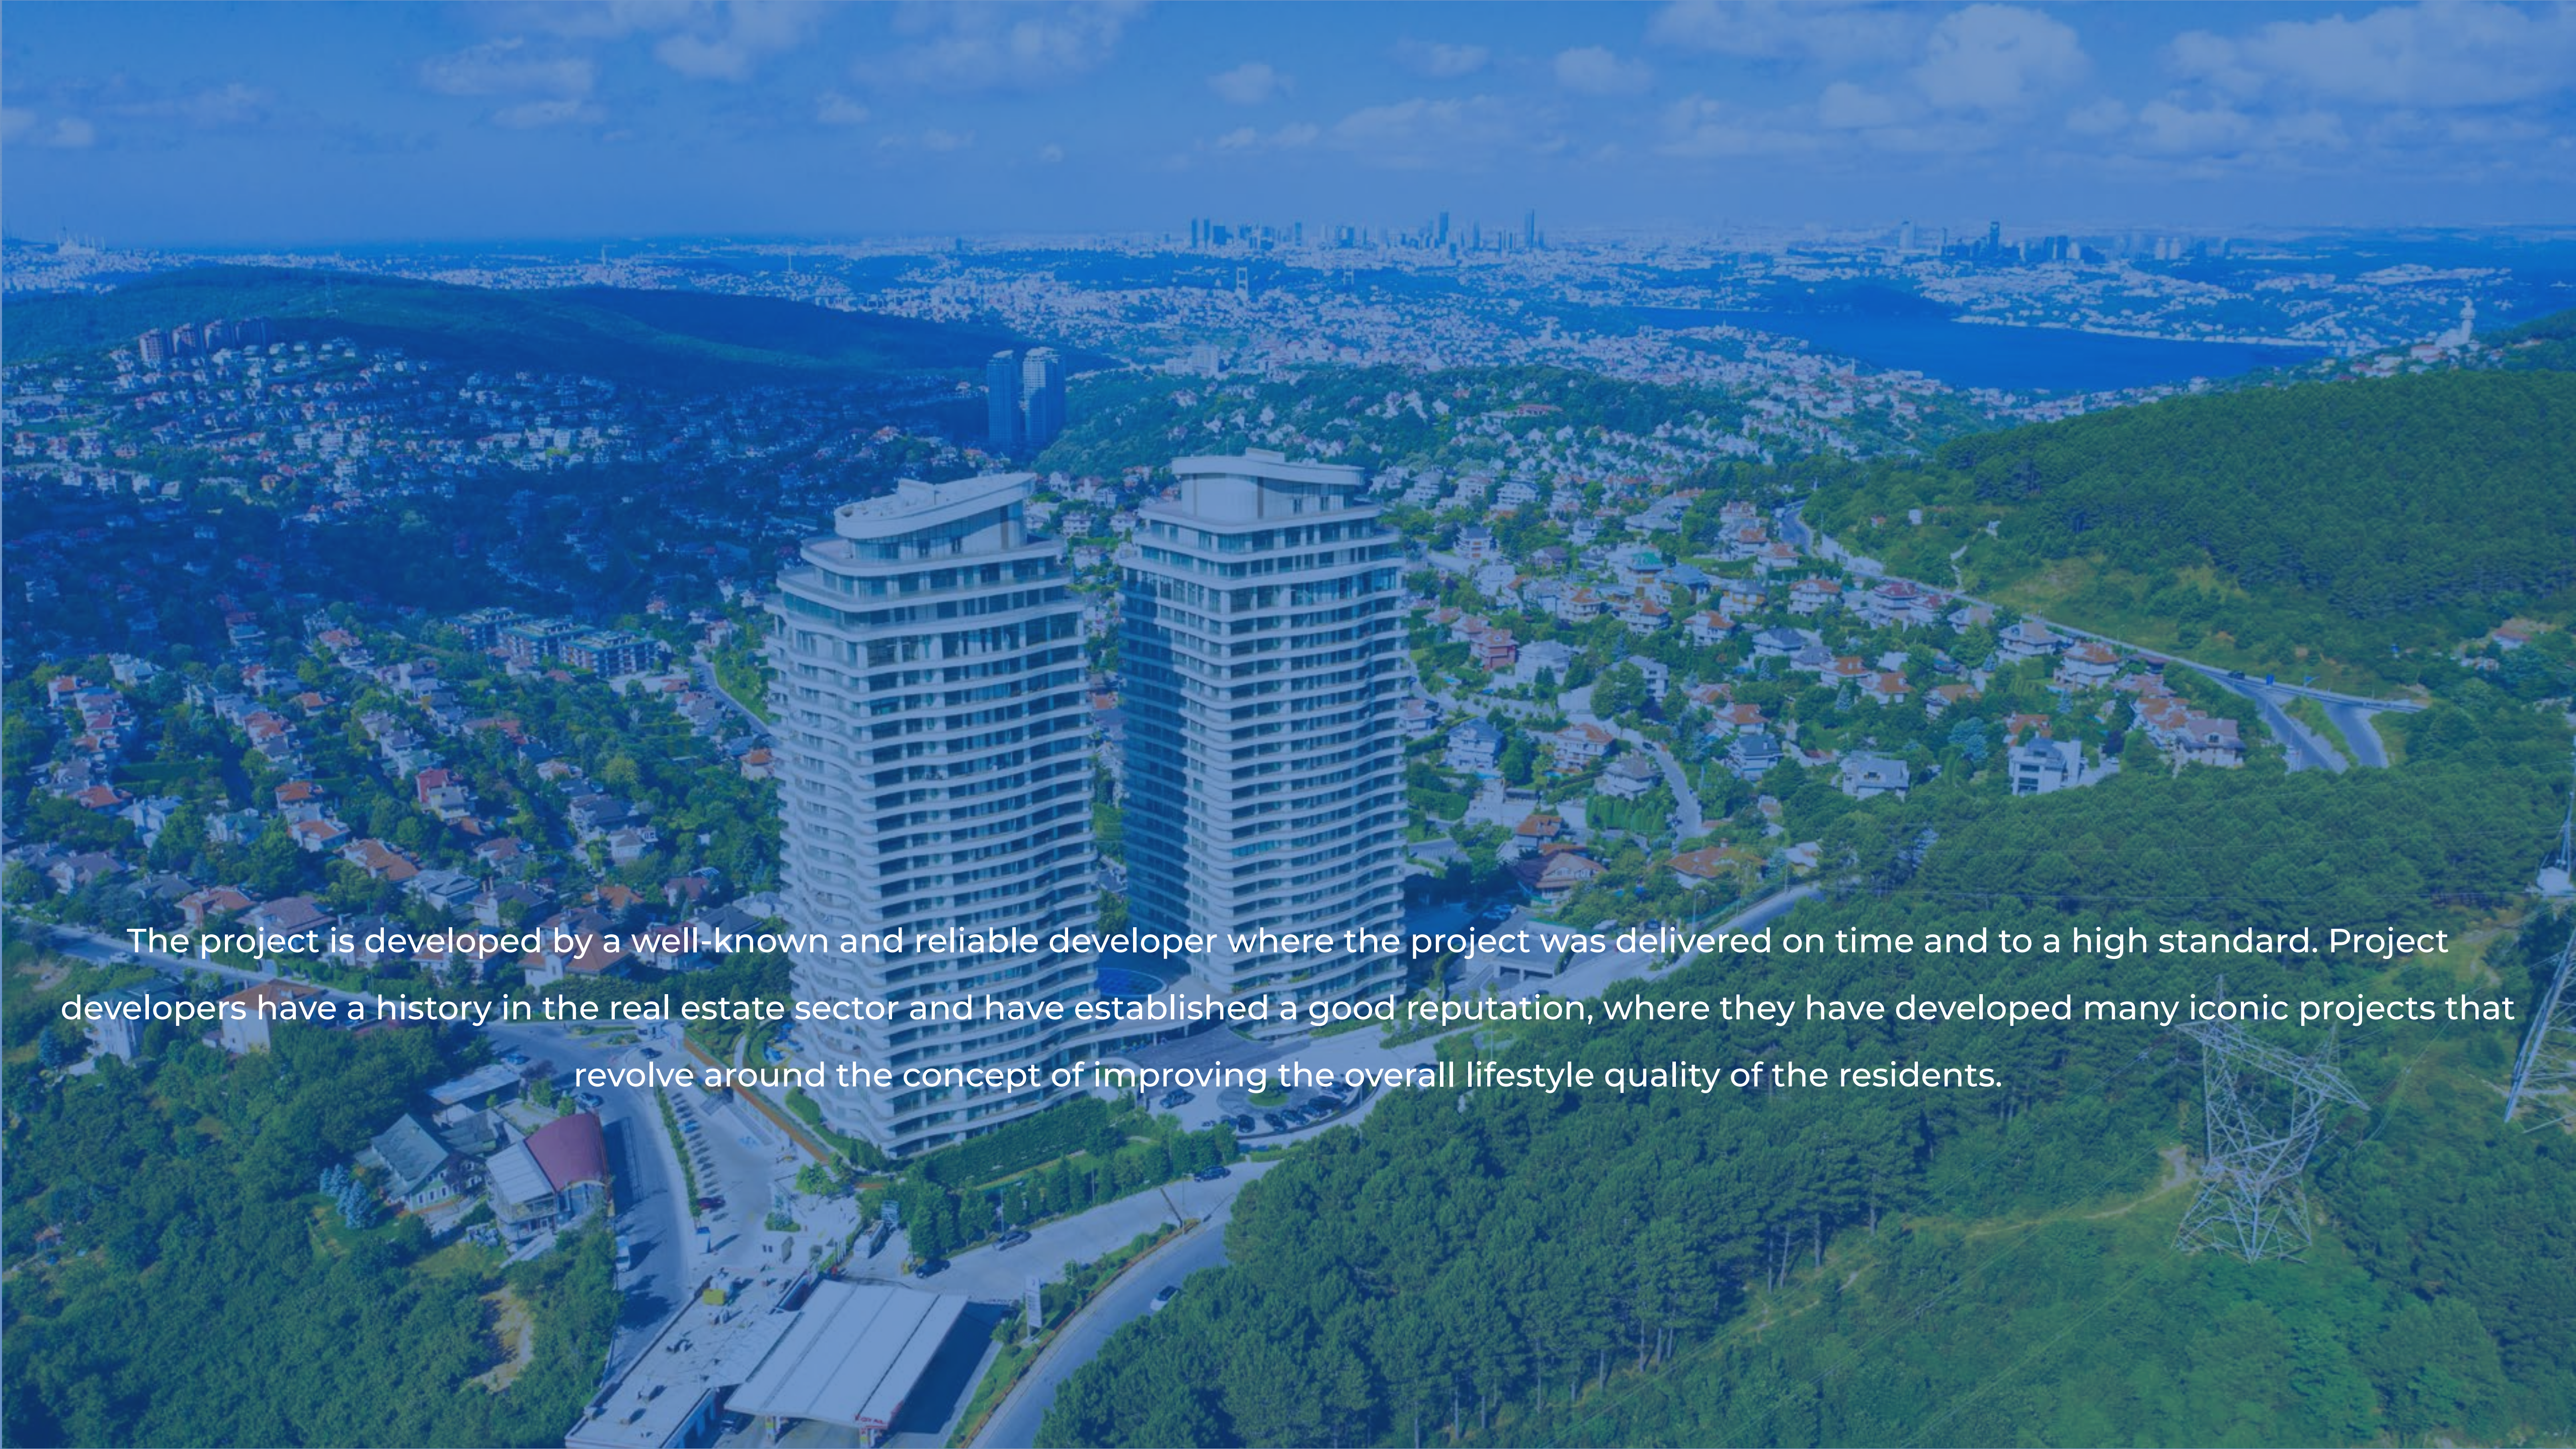

The project also hosts a good environment for families as it offers many different indoor/outdoor activities including kids' playgrounds, available at all times.

Your new address suits you!

Project's location is considered to be one of the top features as it is ideally located in the heart of the Asian side of Istanbul. The neighbourhood hosts the elite society of Turkey and is well known for being safe. It is one of the few areas where the greenery remains untouched, surrounding the project from all angles.

An aerial photograph of a modern, curved high-rise apartment complex. The building features a light-colored facade and a distinctive curved design. It is situated in a city with a mix of residential buildings and green spaces. In the background, a large body of water is visible, and a city skyline can be seen in the distance under a blue sky with scattered clouds. The foreground shows a road and a parking area with several cars.

The project is developed by a well-known and reliable developer where the project was delivered on time and to a high standard. Project developers have a history in the real estate sector and have established a good reputation, where they have developed many iconic projects that revolve around the concept of improving the overall lifestyle quality of the residents.
